

D:/University/ca-A00269349
/Rogue/Weapon.h

```
graph TD; A["D:/University/ca-A00269349  
/Rogue/Weapon.h"] --> B["string"]; A --> C["ctime"]; A --> D["cstdlib"];
```

The diagram illustrates a file path at the top, which then branches into three arrows pointing to three separate boxes below. The boxes are labeled 'string', 'ctime', and 'cstdlib', representing standard C library headers.

string

ctime

cstdlib
